

Please remember that these uniforms once handed over to you are your responsibility.

Please take extra care so your uniform stays clean and neat. The uniform tee shirt cover up issued to your child is to **ALWAYS** be worn over the uniform. There are **NO** excuses and **NO** exceptions to the rule. If you do not have your issued uniform tee shirt cover up you will be asked to purchase a new one. If you stay to watch any of the other games after your child has finished cheering, your child is to **REMOVE** their uniform and change into other clothes. If you are going to eat or drink while wearing your uniform, **YOU MUST** have your uniform tee shirt cover up on.

Please no eating or drinking the following

1. **ketchup or mustard**
2. **colored drinks (CLEAR drinks only)**
3. **pizza**
4. **candy**
5. **colored ices**
